CERTIFICATION OF THE DIRECTOR OF THE CALIFORNIA DEPARTMENT OF BOATING AND WATERWAYS

I, Carlton D. Moore, Interim Director of the California Department of Boating and Waterways, approve the *Egeria densa* Control Program as described in the final Programmatic Environmental Impact Report (EIR) for the Department of Boating and Waterways', and herby certify the following:

- The Final Programmatic EIR has been completed in compliance with the California Environmental Quality Act.
- The Final Programmatic EIR reflects the Department of Boating and Waterway's independent judgement and analysis.
- I reviewed and considered the information in the Final Programmatic EIR before approving the Egeria densa Control Program for the Department of Boating and Waterways.
